

## Town of Amherst Special Town Meeting November 19, 2012 · 7:00 p.m.

The Amherst Select Board voted to set an earlier start time of 7:00 p.m. for the Fall Town Meeting as a trial run. Feedback will be sought after Town Meeting to determine which start time has greater member support.

We ask members to take note of the earlier start time and plan to arrive sufficiently ahead of the proposed time to allow everyone to be signed in so that we can reach a quorum and begin the meeting without delay. Thank you!
